CASE STUDY

You have been working for Mrs. Mary Jones for several weeks. Your schedule is 9:00 a.m. to 3:00 p.m. Monday through Friday, and you have kept to the schedule all week except for Wednesday, when Mrs. Jones' granddaughter did not come home from school at 3:00 p.m. as usual and you did not think it was safe to leave, so you stayed until 4:30 p.m.

Mrs. Jones was very upset about the change, seemed to forget who you were. This was not at all like her usual behavior, which is quiet and pleasant. Her daughter was angry both at the granddaughter for not being there and at you for staying the extra time.

Early Thursday your client asked you to leave saying she did not want you to come any more. **Explain below the steps you would take because you knew the family felt you had to be there.**

Don't forget the time sheet!
